Parking facilities

The underground car parks "Congress Center Rosengarten" and "Dorint", with approx. 700 parking spaces, are at your disposal. The maximum permitted vehicle height is 1.90 m. You must pay the parking fees yourself. As these are public parking spaces, we have no influence on their availability. Parking on the outside area of the Congress Center Rosengarten is not permitted

Thanks to its central city position, the m:con Congress Center Rosengarten has been located in Mannheim's environmental zone since the 1st March 2008. Thus, the only way to get to the Rosengarten is to obtain an Umweltplakette (environmental badge/sticker). Environmental badges are available from your vehicle registration office, TÜV, DEKRA and certified car repair workshop.
