

# Omikron Systemhaus Cologne: Map / How to find us

## Arrival By means of public transport

We choose the Cologne central station as starting point.

**Route 1 :** Take the city railway ('S-Bahn') Number S11 (leaving from platform 11) in direction Neuss/D'dorf (Düsseldorf) and get off at the stop Longerich.

Once you have left the station building, cross the crossing to the bus stop of bus no. 139 in direction Bickendorf/Äußere Kanalstraße and ride until you arrive at the Mathias-Brüggen-Straße. The stop is already on the street where the Omikron building - to the right, appr. 50 meters in driving direction, a building with a red tower - is located. Time: appr. 30 min.

**Route 2 :** Take the underground U5 in the direction of Ossendorf until the terminus (Sparkasse am Butzweilerhof). This journey takes about 25 minutes. Then follow the von-Hünefeld-Straße to the left, and cross directly over the roundabout. The right tower on the right-hand side makes the Omikron building easy to spot.

**Route 3 :** Coming from the A57 from Cologne (Köln-Zentrum), you take the exit Köln-Longerich/Chorweiler and turn left onto the Militärringstraße. Once you are on that road you take the first possibility on the left onto the Alte Escher-Straße. At the junction, turn right onto the Von-Hünefeld-Straße.
